

## Android Enterprise Tablet with Scanner

Rugged, thin, lightweight tablet with barcode scanner.

The ZEBRA ET51 has enterprise-class durability and data capture. The included accessories make it rugged and ready to use, both indoors and out, even in extreme conditions. The integrated SE4710 scan engine lets you scan both 1D and 2D barcodes. The advanced touchscreen has sharp text and clear graphics and works with a finger (even gloved) or an optional stylus. Easy to read, even in bright sunlight.
