As lithium-ion batteries age, their performance degrades. Less uptime, longer charge times and constantly swapping out batteries will only slow down your operations. Make the smart move, and get rewarded, by refreshing your mobile printer batteries with GO Zebra. Just trade in your old batteries — including select competitor's models — and replace them with new Zebra Batteries to earn $10 cash back for every qualifying purchase.

Program eligibility

1. This offer is being made from Zebra Technologies to end users in the form of a rebate for purchases made between January 1, 2023 and April 30, 2023.

2. The Program applies to new purchases of qualifying devices (the "Qualifying Products"). End users must purchase Qualifying Products from a Zebra® PartnerConnect reseller ("Reseller").

3. The Program website at www.zebra.com/gozebra sets forth the rebate amount associated with the purchase of each Qualifying Product.

4. For mobile computers, any manufacturers' brand or model of mobile handheld device with a display equal to or greater than 2" is eligible to be traded in, including Zebra, Motorola, Psion, Symbol and Telxon.

5. For printers, any Zebra or competitive thermal barcode or card printer is eligible to be traded in but must power up and include the printhead.

6. For scanners, traded-in scanners must be comparable to the one being purchased.

7. For batteries, traded-in batteries must be comparable to the one being purchased and must be a separate line item on the Reseller invoice. Trade-ins from alternate battery suppliers are also eligible for trade-in. Any end user participating in Zebra's battery maintenance or battery refresh programs is not eligible for this Program. Only the charger listed is available for trade-in.

8. The end user cannot combine this with any other offer, promotion, or special pricing ("Special Pricing") provided by Zebra to the Reseller as part of the same transaction. It is the responsibility of end users to verify with their Resellers that such Resellers have not purchased the Qualifying Products at Special Pricing.

9. Rebate claims must be completed online, and eligible trade-in devices must be received by Zebra no later than 90 days from the date of your Reseller's invoice.

10. Rebates will be issued for each traded-in product, one-for-one, based on the number of Qualifying Products purchased.

11. The end user may choose to utilize the Program more than one time.

12. Zebra reserves the right to change, cancel, modify or end the Program at any time with or without notice.

13. GO Zebra is available only to Zebra end users in the continental U.S. (excluding Alaska, Hawaii, and US territories) and Canada.
